THE CARDINAL

Carole Jean

Dear Carole,
Well it's
been a great
year for you & we
have had a lot of
fun together. All those
wild dances we went to. Like
the one after a league picnic in
Fremont. The Vetrans Day Dance was
a dilly. You were supposed to be home
by one but you didn't make it until
two because of a certain — —. The New
Years Eve Dance was a dilly. Too bad you
had to miss it because of — ; —. Then I almost went
home with your keys in my purse. Then Rollyn
came into your life. You were so proud as can
be the day you came to school with his ring.
Must not forget the Easter Dance when
we were riding around with Ordean; we had
to take Larry up town; you couldn't get him
to walk by himself. I guess I can't write
everything it would take all year.
Hope you have the best of
luck in Omaha. Don't have
too many parties & take it
easy on that '56 Chevy.
It's a beauty. Don't
ever forget me.
Love "ya"

Backbone of the Team

The Pep Club has been very busy this year. They started the year by selling megaphones to raise money.

They sponsored a pep rally for every football and basketball game and at these rallys a pep skit was usually given by a committee of the members. For each game they made locker decorations and placed signs throughout the building.

The Pep Club made a float for Homecoming and helped sponsor Homecoming.

At all the home basketball games, the Pep Club members sold refreshments.

When Hooper won the right to go to "State" the Pep Club members made banners and signs telling of the event.

The Pep Club worked very hard for the Athletic Banquet honoring all the boys who have participated in sports during the 1960-'61 school year.

There was one revision to the Constitution this year and that was to have an alternate cheerleader to help the other five cheerleaders.

For the basketball season the girls purchased material and made new skirts which was a very nice change.

"Cardinal Confidential"

"Find what you're looking for?"

The paper staff has been very busy putting out the paper. This year the staff passed the paper out in the home rooms instead of after school as it had been originally done. The school also exchanged papers with twenty-two different schools.

The whole class helped compile a guide for a mimeographed paper which will be a great deal of help to next year's class.

Several members of the class attended clinics where they were shown a number of ways in which they could improve the content of their paper.

The Journalism class was also responsible for putting out programs for the various activities held by the different classes and activities of the school such as the class plays and the music programs.

Bull In A China Shop

The Junior Class presented BULL IN A CHINA SHOP on Friday, December 2, 1960 in the school auditorium. The cast was: Chuck Danskin as Detective Dennis O'Finn, Vaudine Weber as Miss Hildegard, Joyce Schurman as Miss Birdie, Jane Schole as Miss Amantha, Jo Hansen as Miss Lucy, Susan Shaffer as Miss Nettie, and Bonnie Stodola as Miss Elizabeth. These were the "old maids." Don Meier played the assistant detective, Kramer, Harold Ruwe and Walter Blum were the two stretcher bearers, Sue Corbin was Miss Rogers, the reporter, and Lynn Moeller was Johnson, the fingerprint man.

The play was a comedy, telling the story of six old maids desperate for men. In their attempt to get acquainted with a handsome detective who lived across the street from them, two of the old maids were poisoned so that Detective O'Finn would have to come to their house.

After many riotous interviews with the women, the murderess was finally captured and O'Finn was the hero.

A Ready Made Family

On April 14, 1961, the Seniors presented "A Ready Made Family," a farce in three acts.

This was the story of a man and woman who met on their vacations and decided to get married. When they reached home they were surprised to find out that the other had children.

From the first the children did everything in their power to prevent the marriage and when the marriage was disclosed the children did everything possible to make their parents get a divorce. The children resorted to fits of lunacy, baby-talk, attacks with an ax, and strange ghost-like voices. Even Miss Lydia, the children's eccentric aunt helped persuade Mr. Henry Turner that he should get a divorce from Agnes Martyn. Begonia, the colored cook and Nicodemus, the handy man added to the fun.

In the end the children confessed to the trickery and all was forgiven.

The play was directed by Kenneth Johnson with Karen Husk as the student director.

On April 28, the Seniors started out at 3:07 A.M. for the western part of the state for the annual Senior Sneak Day.

The first stop was for breakfast near Grand Island. From there they journeyed to Minden where they toured Pioneer Village. After this stop, the Seniors visited the television station KHOL-TV. The Class of '61 took the nearest detour to Kearney where most of them viewed the Kearney Invitational Track Meet held at the Kearney State Teachers College, while others bowled, window shopped, or ate.

After eating dinner in Kearney, they returned to Grand Island to see the show "Pepe." It was 1:15 A.M. Saturday morning when the Seniors returned home.

Evening In Paris

"What's your opinion on the matter Donna?"

The evening of May 6, 1961 was a very special night for the Juniors and Seniors, for this night the Juniors presented the annual Junior-Senior Banquet and Prom. It was held at the City Auditorium which had been transformed into "Gay Parree" by placing small tables around the sides to represent a sidewalk cafe of Paris. A garden wall marked off the dance floor and the Eiffel Tower rose in the west while a cart of flowers sat at the other end.

The banquet was at 6:30 P.M. followed by the dance at 9:00 P.M. The music was provided by the Skyliners.

Track

Coach Harry Meeker had a very successful track squad this year which won the Bergan Invitational and Dodge County Track Meets. They placed third at the Cornhusker and the District Track Meets and fourth at the Midland Relays.

New records were set in the discus-Stork, broad jump-Liston, 440-Ott, mile relay, and two mile relay.

At the District Meet, Hooper sent nine boys to State in five events.

Tennis

The Hooper tennis team has had a good season, this year of "61". The following list of boys were out for this fine sport: R. Palmer, R. Bauer, B. Lallman, R. Sohl, D. Morrow, and R. Fachman.

The regular season play turned out to be very successful for Palmer and Bauer, for they were undefeated in all singles contests.

The players that will be representing Hooper at the State meet are: Palmer, singles; Bauer and Lallman, doubles.

The three listed above and our fourth man, R. Sohl will receive a letter of merit for such a good record.

The games were held on Monday and Wednesday nights, alternating with the volleyball on Tuesdays and Thursdays.

A tournament was held at the end of the season to determine the best team and a trophy went to the winning team.

Mr. Lloyd Unick was the sponsor for the teams.

Congratulations boys!

Girls interested in competing in intramural volleyball signed up to play. Captains were elected by the girls and the captains chose their own teams.

From then on it was a battle to see which team would come out on top with the championship trophy at the end of the tournament which closed the volleyball season.

Some of the girls proved to be outstanding athletes in the field of volleyball; but all the girls participating played hard and enjoyed the games.

The sponsor for the games was Mr. Lloyd Unick.

Junior Class

The Junior class, sponsored by Mrs. Blomendahl and Mr. Peterson, had a very active year. They elected class officers and two student council members, Bonnie Schole and Larry Brandt. The Junior class float won first prize in the Homecoming Parade. About twenty members of the class had the opportunity to attend County Government Day. The class sponsored a Winter Ball semi-formal dance, and they put on an outstanding class play, the proceeds from which went for the annual Junior-Senior Banquet and Prom. The juniors lost three members of their class this year, Larry Willmer, Therese Nacke and Eugene Childs.

Senior Class of Nineteen Hundred and Sixty-One

Look Out, World! Here We Come!

Yes, World, look out. Here comes the CLASS OF 1961. We may have to come back for more matches, but sooner or later we'll set you on fire.

"Oh come on now Mr. Meeker, Sneak Day wasn't that hard on you!"

Senior Class History

As we leave the halls of Hooper High, we will long remember the activities we have shared as a class, and also remember our friends and classmates through our four years together. Most of the Seniors will remember that first day when we entered the doors of H.H.S. which was soon followed by Initiation Day. The highlight of the year was a Spring Dance which we sponsored. Our class sponsor was Miss Velda Stokke.

The main events of our Sophomore year were that five waiters and five waitresses were chosen to serve at the Junior-Senior Banquet, and a picnic at the State Lakes to conclude the year. Our class sponsor was Miss Clara Schafersman.

As Juniors, we picked up corn and conducted a car wash and slave sale to raise money. We also made a float for the Homecoming parade and won third prize for it. We gave a Junior Class Play entitled, "We Shook the Family Tree," and sponsored a New Year's Eve Party. Hawaiian Cruise was the theme of the Junior-Senior Banquet and Prom which we gave in honor of the Seniors. Our class sponsors were Mrs. Blanche Nitz and Mr. Scotty Willoughby.

Our final year was started by sponsoring a Valentine Dance and making preparations for graduation pictures, announcements, and the final ceremony. We again made a float for the Homecoming parade. We presented a Senior Class Play entitled "A Ready Made Family." Our Sneak Day was April 28 and was believed to be the highlight of our last year, that is, next to the Junior-Senior Banquet and Prom which the Juniors presented in our honor. Our class sponsors were Mr. Harry Meeker and Mr. Darold Nielsen.

Some of our classmates have joined us and some have left us through our four years. Joining us the second semester of our Freshman year were Jeannie Schumacher and Mary Shaffer. Mary now attends school in Fort Knox, Kentucky. In our Sophomore year, Eileen Poyar and Fred Gustin joined us. Eileen now attends Fremont Bergan High School, and Fred attends Ceresco High School.

In our Junior year Sandi Danskin and Judy Hogan became new members of our class. Judy now attends school in Helena, Montana. During the second semester of our Junior year, Louis Wegner left us. He now attends high school in Fairbanks, Alaska. As Seniors, Ed Donnelly and Lloyd Gobel left us. Ed is now serving in the Navy at Okinawa, and Lloyd is living in Fremont. We will long remember these people.

Now that our high school days have come to a close, we are sorry to leave the halls of knowledge and good times we have had, but we are looking forward to the future. If there isn't a path, we'll make one.

"Do you think we'll ever get this thing finished?"

The Cardinal

The yearbook staff was kept very busy this year because they also had to put out the school paper and sometimes their schedules conflicted.

Some of the students attended clinics where they were given a lot of ideas for this year's annual.

They also printed a guide for a yearbook which will be used by next year's class.

The school purchased a new camera for the Journalism class to use. It was a great help in taking the pictures that were needed.

"Now why can't I take pictures like that?"
